

YOUR PREMIER FBO TEAM

Message From The Chairman.

Stanley Edgar
Owner & Chairman

//

A warm Northern Irish welcome, it is my pleasure to introduce Jet Assist and our experienced and professional team.

Aviation has been a personal passion of mine for as long as I can remember, as a pilot myself I understand the challenges of operating aircraft around the world and it is my aim to ensure we continue to deliver the highest levels of service and facilities.

Since taking over Jet Assist in June 2018 we have enhanced our services by acquiring our own dedicated Jet-A1 fuel bowser (11,000 USG) and refurbishing our crew & passenger facilities within our FBO. Now along with my team we will continue to grow our services to meet your every operational need.
